

# Oak Crest Music Boosters

BIG NEWS!!!

The Oak Crest Band Program has a new Director. Ms Julie Yaeger will be starting with the Oak Crest Students in the Fall 2011. We are all looking forward to a wonderful new year of music.

## Introduction

The Music Boosters are parents of Oak Crest students working to support the Oak Crest music programs which consist of Beginning, Advanced and Jazz bands

- We are the primary source of funding for the music programs at Oak Crest and pay for sheet music, specialized musical instruction, instruments, repairs, performance expenses, and awards, to ensure that all students are able to participate in all activities.
- Working closely with the Music Director, we coordinate the organization and support for our many music events throughout the school year.
- We maintain communications with parents about upcoming musical events, helping to overcome the "smashed flyer at the bottom of the backpack" syndrome with which we parents are all so familiar. To receive emails, contact Alex Silber at [silbermock@sbcglobal.net](mailto:silbermock@sbcglobal.net)

We are an active board that meets monthly and we invite you to join us.

## Please Donate

The band program needs to raise \$14,000 a year to cover expenses that are not provided by the state or the district. Parents of band students are the primary source of funding and we need your help to make the Oak Crest music program a success. Please make a donation to support our young musicians. **Donations are tax deductible.** Besides donations, the Boosters raise money through several fundraisers including Restaurant Nights, T-shirt sales, and Golf tournament and Spring Flower Bulb sales.

## Please Volunteer

We need volunteers in the following areas: Hospitality, Fundraisers, T-shirts, Photography, Graphics/Communications and Memberships. Please select one or two areas in which you can donate your time and energy. The Oak Crest Band program welcomes you. Please come to a board meeting and find out how you can help. Contact Alex Silber ([silbermock@sbcglobal.net](mailto:silbermock@sbcglobal.net)) for more information.
