

Oak Crest Music Boosters

Introduction

The Music Boosters are parents of Oak Crest music students working to support the Oak Crest music programs.

- We are the primary source of funding for the music programs at Oak Crest and pay for music, specialized musical instruction, instruments, repairs, performance expenses, and awards, to ensure that all students are able to participate in all activities.
- Working closely with the Music Director, Mrs. Erin Zoumaras, we coordinate the organization and support for our many music events throughout the school year.
- We maintain communications with parents about upcoming musical events, helping to overcome the "smashed flyer at the bottom of the backpack" syndrome with which we parents are all so familiar.

We are an active board that meets monthly and we invite you to join us.

Please Donate

Parents are our primary source of funding and we need your help to make the Oak Crest music program a success. Please consider making a donation to support our young musicians. Donations are tax deductible.
