## Catch the Wave to Higher Learning Join the Oak Crest Parent Foundation Annual Giving Campaign

The Oak Crest Parent Foundation is dedicated to improving your child's educational experience by providing valuable resources to our school. All money raised by the Parent Foundation stays at Oak Crest to benefit our kids. The membership drive is the primary fundraiser for the Parent Foundation, By joining, you support Oak Crest Middle School students, faculty and staff.

The Parent Foundation Annual Giving Campaign will combine the efforts of the entire school community. This direct giving campaign will support various school programs that will have a positive affect on **BOTH** 7<sup>th</sup> and 8<sup>th</sup> grade students.

Our school needs your support in order to fund a variety of programs and to provide the resources that enable Oak Crest Middle School to sustain a high level of academic achievement. With your help, the Parent Foundation can continue to honor requests for funding from our hard working Oak Crest faculty and staff. Due to budget cuts our school needs your help more than ever. Moreover, your donation is tax deductible. Our tax ID number is 33-0004167.
